

## ***NEW FOR 2018***

### **AURORA SOLAR PANEL AND BATTERY**

- 3.7 Volt 1400Mah Lion Battery pack
- 4 LED diodes vs the old ones had 2
- On/off button on panel
- Glass over the top instead of poly, will not discolor and gives it a cleaner look
- The solar panel will color match the cap
- Brighter then old panel

Left side picture is the “old” style panel
