COLOR CHANGING

Atlantic's Color Changing Colorfalls offer a whole new dimension in sheer descents, with Limitless Length! Link any number of units to form sheers of any length, and synchronize the light displays of up to five units. Want to create a 45-foot long continuous waterfall in Red, White and Blue? **No problem!**

The Color Changing Colorfalls have been completely redesigned from the ground up to provide years of headache free service, with a removable back plate that allows easy access for cleaning, instant winterizing in place and fast, simple light replacement. Multiple plumbing options, on both sides and the back, make this Colorfalls as easy to install as it is versatile. Couple the new patent pending body design with the new light bar, featuring more vibrant colors, radio frequency remote control and the ability to synchronize up to 5 units, and you have the best sheer descent ever made.

Stand out from the crowd with Atlantic's **Color Changing Colorfalls!**
