

Quick-Connect® Pivot

Screws into the face of a wood post or wall using a hanger bolt with lag thread (included). 180° pivoting allows for angled stair terminations.

Typically paired with a [Quick-Connect® Pivot Swivel Turnbuckle](#).

Part#	CableØ	Thread	T	L	QCØ	PilotDrillØ
9915DL-pkg**	1/8"	1/4"-20	2" (2-1/2")	4-3/4" (5-1/4")	7/16"	*7/64"
9815	3/16"	5/16"-18	2"	5-1/2"	9/16"	*7/32"

* **Pilot Drill Hole** slightly larger if using hardwood posts.

** Contains 2 Hanger Bolts: A shorter bolt with 2 inches of lag thread for use with wood posts and a longer bolt, with 2-1/2" inches of lag thread for use with wood posts with a decorative wood wrap or composite sleeve.
