

The Hidden Link®

HIDDEN DECK FASTENING SYSTEM

Easy Installation

The Hidden Link® slides under the fastened deck board.

Fasten the tab of *The Hidden Link®* to the opposite deck board edge.

Push deck board down to rest on joist, fasten *The Hidden Link®* to joist.

Benefits

- No visible fasteners on deck board face
- Fasteners that are attached to the joists are hidden by the subsequent deck board
- *The Hidden Link®* system allows air to flow between the deck boards and the joist, enabling the joists to continually dry out (preventing the acceleration of rot)
- No expensive biscuit cutter required
- No hammering
- Works well with exotic hardwoods and composite decking
- Approx. 100 sq. ft coverage using 5.5" deck boards 16" o.c.
- Screws Included.
