A couple is seated at a round table on a wooden deck at night. The table is set with a white tablecloth, plates of food, glasses of wine, and a basket of bread. The woman is wearing a light-colored sleeveless dress and is holding a glass of wine. The man is wearing a dark blue button-down shirt and is also holding a glass of wine. The deck is illuminated by warm, glowing string lights hanging from the ceiling. The background features a wooden wall with several potted plants hanging from it. The overall atmosphere is cozy and intimate.

Imagine a deck  
built around *you*.

Imagine what could be, don't hold back. We believe there's untapped potential right outside your door. There are no boundaries to creative expression in our world. Go ahead. Imagine all that you want. From an eye-catching design to relaxing enjoyment – create a deck with distinction, made for connection.

GET *inspired*, GET *creative*.

FOLLOW US:

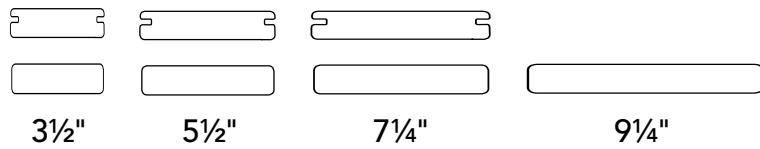

# VOYAGE DECKING

- Vertical grain with enhanced traction
- 12' length in grooved-edge only
- 16' and 20' lengths; solid- and grooved-edge
- 8" and 11¼" fascia available in 12' lengths
- Unique cap contains infrared reflective materials to reduce solar heat gain
- Micro-embossing reduces the surface-to-skin contact

\*Capped composite decking boards tested by an independent third-party lab in wet conditions under the AS/NXS 4586-2013 standard; decking board were tested on 9/24/18-9/25/18.

Add instant curb appeal with Deckorators® Porch Flooring. Featuring one solid color and one variegated option, our porch flooring is easy to install and creates a timeless focal point to any home.

- Tongue-and-groove profile available in 10', 12' and 16' lengths
- Solid profile for stairs and picture frame available in 12' length only

# SLEEPER SYSTEM

Use the Sleeper System as a water and ground contact approved substructure for rooftop decks, decks over concrete patios and more.

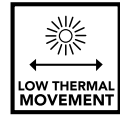

- Dimensions are 1½" x 1½" x 8' or 12'
- Two-toned to complement any deck board choice
- For use only with Mineral-based composite Deckorators® decking or porch flooring
- Fasten deck boards or porch flooring boards directly into Sleeper System
- Compatible with Stowaway™ Hidden Fasteners
- Sleepers are not structural and must be installed on a solid surface

# RESIDENTIAL CLADDING

Deckorators® Mineral-based composite (MBC) decking can also be used as exterior cladding. Lightweight yet unbeatably strong, it's an optimal choice for your home exterior. Whether you wish to use Voyage, Vault or Picture Frame Board, each offers unmatched durability and low thermal movement.

- Approved for 3½", 5" and 7¼" widths
- Furring strips placed 24" on center
- Compatible with face screws, Pro Plugs® or Stowaway™ Hidden Fasteners
