

DEKORRA ROCK ENCLOSURES

Just in time for 2019 Dekorrra Products has just completed our new model 123! Designed with a smaller foot print and plenty of working height, model 123 fits in nicely between the 103 and 104 models for pressure tank assemblies and combined utility installations!

- 45" L x 36" W x 42" T
- Weight 32 lbs.
- Easy lift off design
- 4 stake tabs including plastic stakes
- Reinforced base channel for additional durability
- Available in all four colors
- Available in Pro-R thermal wall
