# WILD HOG PRODUCTS®
# PANELS

## REFINED WITH YOUR VIEW IN MIND

## Endless possibilities with our family of products

Originating from big and bulky welded panels used for containing pigs on farms, our smaller size panels are perfect for your next project. Wild Hog Panels allow for great visibility, are extremely durable, and versatile for use in both residential and commercial project designs.

## 6 GAUGE PANEL PREP & FINISH

### THOROUGH PREP
Each panel receives a 4 Stage phosphate bath with a de-ionized water rinse.
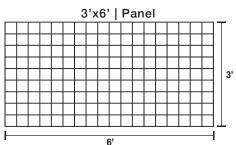

### PRIMER
Zinc-Rich 2-coat primer is applied that helps reduce corrosion and ensures durability.
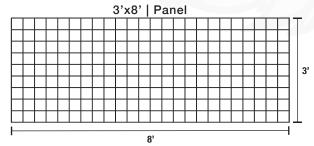

### POWDER COATED
A top quality powder coat finish is applied in a "Black Hog" or "Silver Hog" finish.
